# SafeSend Returns®
for Your Income Taxes

File your tax return faster, easier, and safer!

We are proud to offer our clients a hassle-free way to receive and review income tax returns, as well as e-sign required e-filing forms—right from your computer, tablet, or smart phone!

Using the innovative technology of SafeSend Returns, the process is user-friendly and highly secure!

1. Receive an email from noreply@safesendreturns.com *(be sure to whitelist this email address to prevent missed messages in your junk or spam folder).*

2. Click the safe link, request access code, and enter access code received via email or text *(if available)* to access your return.

3. Answer identity verification questions to review and complete your return.

4. Electronically sign and return your e-file authorization form (8879).
